

Write a letter to Père Noël (Papa Noël) or to a generous relative telling him/her how good (sage) you have been this year and asking for presents for your family and yourself. Be polite! Ask him questions about himself. Tell him specifically what you have done to help out around the house in order to convince Père Noël that you deserve his gifts. Then ask for something for everybody by telling him what he should bring and what you would like for him to bring. Finally, thank Père Noël!

Don't forget to decorate your letter!
